OFFICE OF PETITIONS

In re Application of
James E. Landry et al.
Application No. 09/413,993
Filed: October 7, 1999
Attorney Docket No. 312.2

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed August 17, 2006, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

The application became abandoned for failure to reply in a timely manner to the Restriction Requirement mailed November 30, 2001 which set a shortened statutory period for reply of one (1) month or thirty (30) days (whichever is later). No extensions of time under the provisions of 37 CFR 1.136(a) was obtained. Accordingly, the application became abandoned on December 31, 2001.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Commissioner may require additional information. See MPEP 711.03(c)(III)(C) and (D). The instant petition lacks: item (3)

The file record shows that over 5 years and 8 months elapsed between the date of abandonment and the filing of the instant petition. A Notice of Abandonment was mailed to applicant on August 13, 2002. Due to the extended delay in filing the petition to revive, further information as to the cause of the delay between the date the applicant was first notified that the application was abandoned and the date a 37 CFR 1.137(b) petition was filed is required, along with information as to how such delay was "unintentional." Petitioner should submit:

(A) further information as to when the applicant (or applicant's representative) first became aware of the abandonment of the application; and

(B) a showing as to how the delay in discovering the abandoned status of the application occurred despite the exercise of due care or diligence on the part of the applicant (or applicant's representative). See MPEP 711.03(c)

Please provide further information in regards to the above within TWO (2) MONTHS from the mail date of this decision.

RENEWED PETITION UNDER 37 CFR 1.137(b)

MAIL STOP PETITION
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is a Renewed Petition to Revive for Unintentional Abandonment under 37 CFR 1.137(b) in response to the dismissal of the petition filed August 17, 2006.

This application went unintentionally abandoned for failure to reply in a timely manner to the Restriction Requirement mailed November 30, 2001. Applicant submits herewith the appropriate fees. Applicant submitted a Response on August 17, 2006 along with the Petition to Revive. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

The cause of the delay between the date Applicant was first notified that the application was abandoned and the date a 37 CFR 1.137(b) petition was filed is noted in the attached Declaration. As described in the Declaration, such delay was unintentional. Subsequent to filing the subject patent application, applicant experienced catastrophic and severe financial hardships which resulted in the delay in responding to the Office. In January, 2000, applicant's business was interrupted due to a fire completely destroying one of two buildings. From May, 2000 through February, 2002, a key employee embezzled money and damaged applicant's reputation. Applicant's attorney of record received the Notice of Abandonment on August 19, 2002 (see Cover Page for Paper No. 11 noting "received" and "docketed"). As a result of the embezzlement of funds, applicant was in a precarious financial status. In August, 2004, a primary customer filed for bankruptcy which further interrupted applicant's financial stability. Legal

action is currently pending against a potential buyer of applicant's business that breached its agreement to purchase after succeeding in hiring most of applicant's key employees.

CONCLUSION

Applicant respectfully submits that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Applicant respectfully submits that the application is in condition for allowance. A Notice of Allowance is hereby respectfully requested.

Should the Examiner feel that a telephone conference would advance the prosecution of this application, he is encouraged to contact the undersigned at the telephone number listed below.

Applicant respectfully petitions the Commissioner for any extension of time necessary to render this paper timely.

Please charge any additional fees due or credit any overpayment to Deposit Account No. 50-0694.

Respectfully submitted,
